Please contact 602-629-4826/4834 for consideration. Faxed applications will not be accepted.

AREA OF CONSIDERATION:

This position is in the Federal/Excepted Civil Service and is **open to current members in the Arizona Army National Guard.** Individual selected will receive **Temporary Appointment** NTE one year from effective date or return of incumbent, whichever is first. Acceptance of a Federal Excepted technician position of over 179 days in length will cause termination from the Selected Reserve Incentive Program (BONUS). Individual selected will require a military medical records screening if applicable, to be completed prior to appointment, and/or may be required to take a pre-employment medical screening examination dependent on the position type and military medical records screening results.

INSTRUCTIONS FOR APPLYING: Individuals applying for vacancies with the Arizona National Guard may submit Optional Form 612 (Optional Application for Federal Employment), or a Resume. Application documents must contain the Announcement Number, Title and Grade(s) of the job being applied for. Personal information must include full name and address (including ZIP Code), Day and evening phone numbers (with area code). Work experience information should be limited to either paid or nonpaid experience directly related to the position that the individual is applying for and must include: Job Title, Duties and accomplishments, Employers name and address, Supervisors name and phone number, starting and ending dates, hours per week and salary.

Applicants **MUST** submit a completed AZNG Form 335-2-R (Knowledge, Skill and Ability Supplement) or a separate document explaining how they meet each Knowledge, Skill and Ability listed below and a Resume or the Optional Form 612. Applicant **MUST** submit complete ERB/ORB and/or other documentation to verify possession of MOS.

EVALUATION PROCESS: Each applicant must **FULLY SUBSTANTIATE** on their application how they meet the requirements listed in the specialized experience area; otherwise applicant will be considered unqualified for this position. Applications will be evaluated solely on information supplied in the application (OF 612) or resume. Experience will be evaluated based on relevance to the position for which application is being made. Include job titles, starting and ending

dates (month and year), hours per week, salary, duties/accomplishments, employer(s) name and address, and supervisor(s) name/phone number and permission to contact.

CONDITION OF EMPLOYMENT: Prior to appointment into this position, selectee must be a current member of the Arizona Army National Guard, in a military unit supporting CSMS and must possess the following MOS: 91, 92, and 94 Series; WOMOS: 91, 92, and 94 Series

- Federal employment suitability as determined by a background investigator.
- May be required to successfully complete a probationary period.
- Participation in the Direct Deposit/Electronic Funds Transfer Program.
- Military Uniform must be worn.
- Applicants must maintain membership and employment in the National Guard in the military grade listed in this announcement.

EQUAL OPPORTUNITY: The Arizona National Guard is an Equal Opportunity Employer. Selection for this position will be made without regard to race, religion, age, national origin, sex, political affiliation, marital status, membership or nonmembership in an employee organization or any other non-merit factor.

NOTES:

- Note: Must be able to gain and maintain access to the AZ-ARNG network.
- Note: Must be able to obtain and maintain the appropriate security clearance of the position.
- Note: Must possess or be able to obtain required GCSS-Army certification within 15 days of hire date. Must be able to maintain access to GCSS-Army.
- Note: Must possess and be able to maintain a valid State driver license.

KNOWLEDGE, SKILLS AND ABILITIES REQUIRED FOR SUCCESSFUL PERFORMANCE IN THIS POSITION:

Each applicant should fully justify on their application how they meet each KSA listed below using AZNG Form 335-2-R to reference the justification.

1. Knowledge of GCSS-Army to facilitate the ability to create and track purchase requisitions, process goods receipts and goods movements, manage and inventory shop and bench stock items, and manage an effective recoverable repair parts program.
2. Ability to set performance standards, establish deadlines and priorities, plan work assignments, communicate work expectations, and make formal appraisals of subordinate work performance.
3. Ability to plan the use of subordinate workers, managing their work and leave schedules, on a week-to-week or month-to-month basis and provide management with workload data, estimates of completion, and recommendations to facilitate more effective management of maintenance operations to support customer units.
4. Ability to effectively, efficiently, and economically manage maintenance backlog, ensuring work in progress and completed repairs meets established standards by implementation of quality control and assurance and does not exceed maintenance expenditure limits as established by regulation or policy.
5. Knowledge of GCSS-Army to facilitate the ability to input equipment and work order data, provide status of equipment, monitor job order status, monitor work priorities, and track manhour and efficiency rates.
6. Ability to effectively train, implement and maintain employee compliance with standing operating procedures for the activity and with state and federal regulatory guidance pertaining to Occupational Safety and Health, environment protection, physical security, and property accountability.
7. Skill in managing property accountability, subhand receipts and periodic inventories in accordance with established policies and regulations.

8. Ability to communicate effectively, both verbally and in writing, to include proficiency in using computers and office productivity software to organize and convey information relevant to supply and maintenance operations.

SPECIALIZED EXPERIENCE: Must possess at least **36** months experience as a supervisor, work leader, or inspector for maintenance operations with commensurate level knowledge and experience which demonstrates the ability to plan, direct, and organize work assignments for lower grade personnel. Experience which has provided a thorough knowledge of diagnostic equipment. Experience applying independent judgment in determining methods and techniques required to solve unusually complex maintenance and repair problems. Experienced in testing, inspecting, and evaluating the work performed on vehicles, equipment and systems. Experience which required the review of work requirements, quality inspections, and establish priorities to meet deadlines. Experience that provided knowledge of various lines of work performed by this function. Experience which demonstrates the ability to supervise or the potential to perform such duties as evidenced by the ability to communicate knowledge of general supervisory concepts, and knowledge of shop processes. Experience in adapting existing equipment and techniques to new situations. Experience in setting and enforcing performance standards and making formal appraisals of subordinate work performance.

BRIEF JOB DESCRIPTION: This position is located at the CSMS, Phoenix, Arizona. The purpose of this position is to supervise workers directly or through subordinate leaders and/or supervisors in accomplishing work of the function. Plans work operations of great scope, complexity, and administrative authority. Determines the sequence, priority, and time for performance of operations within the limits of broad work schedules and time limits. The occupation and non-supervisory grade level which best reflects the nature of the overall work operations supervised is Surface Maintenance Mechanic, WG-5801-10. Establishes deadlines, priorities, and work sequences, and plans work assignments based on general work schedules, methods, and policies set by the supervisor. Investigates work related problems such as excessive costs or low productivity and determines causes. Sets performance standards, and makes formal appraisals of subordinate work performance. Performs other duties as assigned.
